Please note that if you put the post code in to some maps / sat navs it doesn't bring you directly to the clinic. It tends to take you to Eagle Barnsdale.

From Lincoln / Eagle :

Come off the A46 at the Whisby roundabout and continue past Whisby garden Centre. Continue on this road until you have gone through Eagle Moor and Eagle and are heading out of Eagle past the new housing build on Swinderby Road. When you come to the T junction take a right turn towards North Scarle and Eagle Hall. There is a sharp bend to the left with a long driveway coming off this corner (look for the grey Highwood Farm sign) this will take you to the clinic. You will see the property sat on the hill and the car park is visible straight in front on the driveway.

From A57 / Nottinghamshire / Gainsborough :

Take the A1133 towards Collingham / Newark until you get to a left turn onto Sand Lane towards Spalford and Eagle. Sand Lane turns left and becomes Eagle Road. Continue on this road through Spalford and until you get to Eagle village. Turn right onto High Street at the junction just after the school and continue onto Swinderby Road. When you come to the T junction take a right turn towards North Scarle and Eagle Hall. There is a sharp bend to the left with a long driveway coming off this corner (look for the grey Highwood Farm sign) this will take you to the clinic. You will see the property sat on the hill and the car park is visible straight in front on the driveway.

From Newark :

Stay on the A46 heading towards Lincoln until you get to the Swinderby turn off at the Halfway House Roundabout, take the 1st exit onto Halfway House Lane. Continue straight on this road to Eagle Road, and Southern Lane. This takes you past Morton Hall, through Eagle Barnsdale and over a train line until you get to a sharp left turn (after the junction to Eagle, towards Eagle Hall) which you bear right down the long driveway (look for the grey Highwood Farm sign) this will take you to the clinic. You will see the property sat on the hill and the car park is visible straight in front on the driveway.
